

## THE BUTTERFLY CHANT

Everyone alternates patting their knees and clapping their hands, then repeats after the leader...

FLUTTER!

{repeat}

FLUTTER!

{repeat}

Little bitty itty bitty tiny butterfly

{repeat}

Flit, flit, flit, flit, fly butterfly

{repeat}

Sipping all the nectar and the sap that's nearby

{repeat}

Mmmm, that nectar is delicious!

{repeat}

Mmmm, that sap is delicious!

{repeat}

Yummy, yummy, yummy, yummy, yummy, yummy, OOOH!

{repeat}

Then do another round *double-speed!*

If your group is into it, you can also do a super-slow round and make your voice sound funny!

Hint: *This activity works well for Grades 2-3 and sometimes grade 1* – Some kids find lines 3 and 5 a little challenging. You can have them do those before you start the official chant so they will know them when you do it all together.
